### Baobab, My First Baobab, Gift Set St. Tropez

The St. Tropez gift set from the My First Baobab collection by the Belgian company Baobab consists of an 8 cm high scented candle and a 16 cm high diffuser that smoothly distribute scents such as rosemary, mint and blackcurrant into the room. Both feature an ornamentation in homage to the roofs of the village houses and the mythical bell tower in Saint Tropez. The multi-colored design with elements in 9-carat gold encloses the hand-blown glass of the candle as well as that of the diffuser, which is crowned by a white Bakelite cap. The box of the gift set also features the characteristic style and makes an excellent, tasteful gift for any occasion.

### About Baobab

The first big trip, falling in love for the first time, the first flowers blooming in spring: The romance of first-time experiences takes on a special meaning in the "My First Baobab" collection. Fragrances gathered on journeys and evoking memories of special places – all in 1970s design in handmade glass vessels decorated with 9-carat gold and platinum.

A pinch of internationality, a splash of tasteful design and a large helping of high-quality materials: The recipe for success for Baobab's exceptional scented candles is anything but conventional. The Belgian company demonstrates the sophistication of European craftsmanship in harmony with minimalist mondial design – all in the form of candle creations that offer a unique olfactory experience.
