## Product information "Kettle/Tea Pot 0.90 I"

Kettle/teapot in 18/10 stainless steel mirror polished. Handle and knob in thermoplastic resin. Magnetic steel bottom suitable for induction cooking.

Naoto Fukasawa's characteristic minimalist rigour is appearing once again with "Cha", a refined object that is both a Kettle and a Teapot, thanks to its structural detail. "Cha" – from the Japanese word for tea – is fitted with a large and elegant filter for the tea leaves. Capacity: 0,90 l
