What is POURA?

In short, it's "Natural Superpowers in a Bottle. "

- Premium ginger essence 55% ginger
- carefully refined with lemon, maca, juniper, acerola, turmeric and goji berry

With this combination of superfoods, rich in antioxidants and vitamin C, POURA protects against free radicals and oxidative stress, supports the immune system, acts as an energy donor and anti-aging booster.

But that's not all: The natural essence is a flavour carrier like alcohol and thus a refreshingly healthy upgrade for drinks of all kinds. It invites you to mix and experiment – with a variety of options for cocktails and mocktails. If you want it easier, just mix it with sparkling water. Pure as a shot POURA is a special kick and a great pleasure.

Ingredients: 55%Ginger juice, cane sugar, water, lemon juice concentrate, lemon juice, natural ginger flavor, goji berry juice concentrate, maca extract, juniper extract, acerola powder, ginger extract, pepper extract, turmeric extract.
