Christofle, Infini, dinner knife (micro-ground), silver-plated

With the Infini series, Christofle makes a promise: Modern cutlery for infinity. Curved silhouettes meet clean lines to create an interplay of shapes and dimensions. Christofle uses traditional models as well as redefined cutlery pieces. The 24-cm long dinner knife features a silver-plated handle and a blade made from stainless steel. Thanks to its rounded lines with characteristic ridge, it lies particularly well in the hand. The knife is not only a gleaming eye-catcher, but also dishwasher safe and thereby practical. For perfect dining moments together, the collection offers pieces of cutlery for every occasion.

About Christofle

With the Infini collection, Christofle unites traditional cutlery elements and innovative design. Through redefined proportions and balanced ergonomics, the Christofle design studio has created a cutlery that is in no way inferior to the modernity of international kitchens. At the same time, with Infini, Christofle remains true to one line – all pieces are manufactured in high-quality silver plating and traditional craftsmanship.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
