Christofle, Infini, table cutlery, 76-piece set, silver-plated

With the Infini series, Christofle makes a promise: Modern cutlery for infinity. Curved silhouettes meet clean lines to create an interplay of shapes and dimensions. Christofle uses traditional models as well as redefined cutlery pieces. The 76-piece set is presented in a high-quality storage box with three drawers and consists of 6 dinner forks and knives and 6 universal dinner spoons. It also includes 6 steak knives, 6 universal dessert knives, forks and spoons as well as 6 fish knives, cake forks, coffee spoons, cocktail forks, espresso spoons and 2 butter knives. Finally, the set includes a vegetable spoon and a serving fork. Thanks to the rounded lines with the characteristic ridge, these not only lie particularly well in the hand, but can also be used for a variety of purposes. The manufacturing from silver-plated, mirror-polished stainless steel not only makes the pieces a gleaming eye-catcher, but also dishwasher safe and thereby practical. For perfect dining moments together, the collection also offers individual cutlery or other cutlery sets for appetizers, main courses or desserts.

About Christofle

With the Infini collection, Christofle unites traditional cutlery elements and innovative design. Through redefined proportions and balanced ergonomics, the Christofle design studio has created a cutlery that is in no way inferior to the modernity of international kitchens. At the same time, with Infini, Christofle remains true to one line – all pieces are manufactured in high-quality silver plating and traditional craftsmanship.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
