The original, iconic Premium Classic Zester, characteristically long and narrow revolutionized grating due to its ultra-sharp, photo-etched stainless-steel blade - made in USA. Featuring 400 micro-teeth, it is perfect for all citrus fruits, hard cheese, chocolate, ginger, garlic, nutmeg, truffle, spices, nuts and more.

With no pressure, foods are precisely cut, not crushed. The aroma can unfold properly, and the flavour is enhanced. In addition, the food glides smoothly and effortlessly across the etched surface, without the grated food sticking to the cutting edges.

This indispensable classic for all professional and hobby chefs delivers the fastest and most effective method of grating with its powerful blade and produces a perfect result every time.

The ergonomic soft touch- grip ensures a secure hold and the rubber feet protect against scratches to the work surface.
