With its softly curved, almost fluid shape, this medium sized stainless steel bowl has a sense of movement that catches the eye, making it a conversation piece at a dinner party. The perfect size for serving up salads, rice or vegetables, it brings a sense of contemporary style to mealtimes, especially when grouped with other bowls from the same collection.

Georg Jensen's iconic Cobra collection is one of the house's most recognisable and popular. Created by German designer Constantin Wortmann, the tableware brings both a sense of humour and a contemporary sculptural style to everyday objects whilst never ignoring functionality.

The medium sized serving bowl is beautifully made from mirror-polished stainless steel.
