Georg Jensen's Koppel Pitcher is given a colourful new life in the Pistachio edition of the iconic design. Defined by a smooth matte finish, the pitcher's elegant new hue is borrowed from designer Henning Koppel's original sketches, which he would brush with a palette of his favourite colours. Designed to stand on its own or be paired with other editions of the pitcher, the piece respectfully pays homage to Koppel's original 1950s design. The item is not dishwasher safe.
