The Star Fluted Christmas Bowl with Lid will be a new holiday favourite, perfect for keeping Christmas dishes warm. When not used, it makes for a beautiful centrepiece adding to the holiday spirit.

Nothing encapsulates the spirit of the holidays quite like gathering around the table for cozy moments of joy and togetherness. This is where the beloved Christmas dinner service from Royal Copenhagen has come to life and become a part of many holiday traditions. The festive wreaths of spruce bordering the plates, bowls and cups are adorned with silk ribbon bows and Christmas decorations, creating a rich and elegant service, which is the perfect background for all your joyful holiday meals.

The Three Waves

Proposed as The Royal Danish Porcelain Factory trademark in 1775 by Queen dowager Juliane Marie, every piece of Royal Copenhagen porcelain is instantly recognised by the three blue waves on its underside symbolising the Sound, the Great Belt and the Little Belt - the three main waterways of Denmark.

Start a new tradition with Star Fluted Christmas and set a table decked with the magic of Christmas. Each piece is decorated with unique ornaments hanging from the spruce wreaths, creating joyful surprises for children and adults of all ages. Find your classic favourites amongst the Christmas collection of Royal Copenhagen and make the holiday season even more magical.
