Multifunctional food processor in an iconic retro design

7 liter stainless steel bowl, processes up to 5 kg of dough

3.5 liter plastic bowl, made from BPA-free Tritan, for lightning-fast results

12 speed levels

1500 watt electric motor

16 accessory options for the perfect sausage, ice cream, pasta and much more

Each Assistent Original® AKM6230 standard package includes accessories to make cooking easier and provide invaluable help when baking everything from sponge cakes to sourdough loaves. This is the latest model of the classic Assistent Original, with several new clever functions and improvements.

Thanks to its strong motor, you can mix even heavier doughs with ease. Assistent Original® also has motor feedback, meaning that the machine itself can regulate its speed depending on the load. Its unique gear unit allows the machine to be both powerful and quiet.

A huge 7 litre bowl makes this the ideal machine for making large batches of dough. It can mix 1.5 L of dough liquid and 5 kg of dough without a problem.
