## Product information "Kettle 2.00 l black"

On the occasion of the 30th anniversary of the popular kettle, designer Michael Graves presents a new design for the whistle. The little bird has now been transformed into a fascinating creature; with the form of the dragon, the design refers to Chinese culture in which the dragon is a symbol for power and luck.

The words Tea Rex 9093 30th anniversary are written around the knob.

This set is strictly limited to 9.999 specimens and is made from brass.
