Seeming to almost capture movement, the striking organic shape of this stainless steel snack bowl makes it an eye-catching piece at any dinner party or social occasion. Flowing in a circular form that creates three distinct sections, the bowl forms a centrepiece that is perfect for serving nuts, dips, candies or other treats as it invites interaction and conversation.

The Cobra collection is one of the Georg Jensen's most instantly recognisable and iconic. Created by German born designer Constantin Wortmann, the pieces show an organic, fluid style but also a sense of humour that adds to their wide appeal.

The triple snack bowl is artfully crafted from stainless steel with a mirror polished finish.
