### Christofle, Fidélio, menu cutlery, 24-piece set, silver plated

The Fidélio collection from Christofle not only reflects extraordinary cutlery – its name is a tribute to Beethoven's only opera, which expresses the tenderness of a love story. That's exactly how this elegant, timeless series manifests itself: in graceful curves with a fine vein in the center of the handle – classic cutlery that lies smoothly in the hand and goes well with any porcelain. The 24-piece silver-plated set is dishwasher safe. It consists of 6 menu knives, forks and spoons as well as 6 coffee spoons. This cutlery stylishly accompanies pleasurable moments with great faith and brilliance.

### About Christofle

A collection for a lifetime: The timeless Fidélio series captivates with its simple, classic design and elegant, rounded shape. It was one of the first creations from Christofle and was known back then under the name of Baguette. Later, this sophisticated collection was reinterpreted with flowing lines and has been available again under a new name since 1992.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
