Hidden Heart – The Force of Eternal Love.

The Hidden Heart Pendant is inspired by the Möbius form, a never-ending shape with only one surface and one edge. As one of Vivianna Torun Bülow-Hübe's favourite symbols, it embodies the eternal force of true love. Turned upside down, the shape of a heart can be found in the pendant's midst making for a subtle and modern expression of femininity. With the simplicity of the jewellery in focus, the pendant is sure to last a lifetime – or longer.
