Product information "Lamp Tom gold"

This Golden Brothers is called Tom. Designed by Stefano Giovannoni, Golden Brothers are a family of lamp-characters which, reflecting a soft light on their body, enhance the plasticity and fluidity of their silhouette. The Golden Brothers, assuming different postures, create an animated landscape characterizing the table and every corner of the house. This family of rechargeable battery-operated LED lamps is equipped with a soft touch switch.

Manufacturer: Qeeboo
