## Product information "Serrated Utility Knife 14 cm"

Thanks to its fine serrated edge, this Bread Roll Knife not only cuts cleanly through rolls without tearing, it is also suitable for vegetables (such as firm tomatoes), fruit or dry sausage. This makes it an integral part of sandwich preparation and of the brunch table setting, ideally found alongside our Cheese Knife.

The WÜSTHOF Amici series combines the iconic, precision-forged blades with uniquely grained Calabrian olive wood handles, fusing modern craftsmanship with Italian design sensibilities to create an ideal knife for preparing and sharing meals.

### WÜSTHOF Amici 1814 series

The stunning artwork on the stainless-steel blade was created in collaboration with Dario Cortini, a virtuoso Italian artist and one of the world's few master engravers.
