Product information "Headphones MINOR III Black"

MINOR III

Meet Minor III and experience Marshall signature sound without the clutter. Enjoy 25 hours of wireless playtime and the freedom of listening without wires with none of the compromise on sound. These wireless earbuds do all the heavy lifting for you, so all you have to do is grab your music and go.

PAIR AND PLAY

Minor III brings you unrivalled Marshall signature sound without any extra clutter. These headphones do all the heavy lifting for you, so all you have to do is pair with your device and play.

FREEDOM FROM WIRES

Minor III is truly wireless, giving you the absolute freedom of listening without wires, while delivering the same powerful audio. Minor III comes with Bluetooth 5.2, which ensures that the earbuds have a strong connection to your device.

POWERFUL CUSTOM-TUNED DRIVERS

Minor III will blow you away with 12 mm custom-tuned drivers, delivering a loud and crisp sound.

INTUITIVE TOUCH CONTROLS

Minor III comes with mirrored touch-sensitive earbuds, so you can use either one to control your music and phone calls. Removing and inserting an earbud also initiates the auto-pause and -play feature, so you won't miss a single beat.

25 HOURS OF WIRELESS PLAYTIME

You don't want to be left stranded without music when you need it most, so Minor III packs 25 total hours of wireless playtime to keep you moving. The earbuds hold 5 hours and the portable charging case carries four additional charges so you can slip the earbuds into the case for some extra power when needed. You can easily charge the case wirelessly or with a USB-C cable.

MANUFACTURER: Marshall
