## Product information "Headphones MOFIF II A.N.C. Black"

### MOFIF II A.N.C

Motif II A.N.C. offers huge sound, in a tiny package. Its sleek charging case packs a punch by powering your headphones with 30 hours of wireless playtime. These in-ear headphones are ready for Bluetooth LE, so you'll be better connected than ever before. With active noise cancellation and improved wind noise performance, block out crowded train rides and commotion to dive into your music without distraction.

### MARSHALL SIGNATURE SOUND

Don't leave great music behind. With Motif II A.N.C. you can take Marshall signature sound with you, wherever you go. Precision engineered to give you clear and balanced sound no matter how much you crank up the volume, Motif II A.N.C. is built so you don't have to hold back. Experience concert quality sound whenever.

### CANCEL THE NOISE, AMPLIFY THE SOUND

Get locked into the sounds of your choice with improved active noise cancellation and use the app to amplify your playlist, so that you can savour the music that matters to you, uninterrupted.

### ENHANCED CONNECTIVITY WITH BLUETOOTH LE AUDIO

Never let anything get in the way of your music with Motif II A.N.C. It's Bluetooth LE Audio- ready to ensure the best possible connection, so you'll never miss a beat. This future-proof technology delivers higher quality audio, while increasing the streaming range and improving audio sync, for a better connection when watching video. Feel secure knowing that when this next-generation Bluetooth technology is released, your headphones can more than handle it.

### A MORE SUSTAINABLE APPROACH

Motif II A.N.C. comes with improved battery preservation, while its case and buds are made from 70% post-consumer recycled plastic, including used electronics, water bottles and automotive light covers.

### ON THE GO CHARGING

These supercharged headphones deliver 6 hours of wireless playtime. Add the charging case to the mix and you get 30 hours of listening time on the move. Switch to quick charge when you're in a hurry, for 1-hour extra playtime in 15 minutes.
