Ready to ship today, delivery time appr. 1-3 workdays

Also available in our [Store at Königsallee 42 in Düsseldorf](#).

## Product information "Speaker WOBURN III Black"

### WOBURN III

A powerful newcomer, the Woburn III has been re-engineered with a new three-way driver system which delivers greater clarity whether you use it as home audio, or as a TV speaker. Dynamic Loudness adjusts the tonal balance of this Bluetooth speaker, delivering you the very best from home audio.

### HOME-SHAKING SOUND

Woburn III has an even wider soundstage than its predecessor and fills any space with immersive, home-shaking Marshall signature sound. Woburn III has been re-engineered with a new three-way driver system, which delivers more controlled, lower-frequency bass and greater clarity in the midrange.

This new generation of Woburn has tweeters angled outwards and updated waveguides to deliver a consistently solid sound that is so wide it chases you around the room. Dynamic Loudness adjusts the tonal balance of the sound to ensure your music sounds brilliant at every volume. When you connect with HDMI, Night Mode keeps the neighbours happy, reducing louder sounds while ensuring quiet sounds are still audible.

### PAIR, PLAY AND TURN IT UP

Woburn III is straight to business, so you can just pair and play without the hassle of a complex set-up. You'll find everything you need right there on the unit so you can easily control your music without ever picking up your device.

### NEXT-GENERATION BLUETOOTH

Woburn III is ready for the future of Bluetooth technology and has been built to deliver next-generation Bluetooth features the moment they are available. Over the Air (OTA) updates via the app ensure that your speaker is always up-to-date with the latest software and features. This future-proof technology will deliver higher audio quality, while increasing streaming range and improving audio sync.

### ICONIC DESIGN THAT STANDS APART

Marshall has taken its signature rock 'n' roll home speaker line-up and given it a stripped-back look that makes a loud statement. Its iconic design knocks all other speakers off the shelf. Signature details such as the Marshall script and brass control knobs adorn the speaker, echoing the legacy of rock 'n' roll. Choose the finish that fits you – original Black or vintage Cream.

### A MORE SUSTAINABLE APPROACH

Woburn III has music at heart and the environment in mind. This new generation takes a more sustainable approach with a PVC-free

build that comprises 70% recycled plastic and only vegan materials.

## HDMI CONNECTIVITY

With so many ways to connect to Woburn III, getting the right sound for listening to music or watching TV has never been so effortless. Connect to your speaker directly from your device using Bluetooth, RCA or 3.5 mm. Woburn III also has an HDMI input, which allows you to connect Woburn III to your TV for a uniquely Marshall viewing experience.

MANUFACTURER: Marshall
