Christofle, Malmaison, table cutlery, 24-piece set, silver plated

The 24-piece table cutlery set takes us on a journey through time into the imperial empire of Napoleon Bonaparte. The Malmaison collection from the house of Christofle typifies the Empire style and features characteristic strict lines and sophisticated materials: The beautifully shaped, silver-plated set is dishwasher-safe. It consists of six table knives, forks and spoons as well as six coffee spoons, which are all delicately engraved with palm and lotus leaves. In combination with other pieces from the collection, also available in sterling silver, the enjoyment of fine meals becomes an experience that could literally not be any more tasteful.

About Christofle

The Malmaison series crowns every table and interior design: Created in 1967, the series is regarded as Christofle's Empire model, named after the Château de la Malmaison near Paris, the favored country residence of the imperial couple Napoleon Bonaparte and Joséphine. The characteristic elements of this splendid style are the symmetrical decor with water leaf motifs and openwork lotus leaves.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
