### Christofle, Mood, espresso spoons 6-piece silver-plated with case (stainless steel egg)

The 6-piece set of silver-plated espresso spoons is an extension of Christofle's Mood series and, like its larger predecessors, boasts a puristic design and clear, timeless lines. Stored in the avant-garde design egg, French manufacturer Christofle reinterprets the rules of dining culture and offers unforgettable, elegant coffee moments. The mirror polished stainless steel egg is adorned with the Christofle coat of arms on the outside, while the inside features a walnut wood insert which holds the six dishwasher-safe espresso spoons. Sugar sachets can be offered in the central rounded opening. This eye-catcher is also available in the same size in a copper-colored design egg with espresso spoons refined with rose gold.

### About Christofle

With the Mood cutlery series, Christofle has rung in a new era of exclusive dining culture: The cutlery is no longer arranged at the individual places, but placed in a design egg in the middle of the table for all guests. With the Mood series, Christofle makes a contemporary statement that captivates with its modern and straightforward design.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
