Product information "Jug 0.90 l"

Blue Fluted Mega is both comfortingly familiar and surprisingly refreshing. In this unusual reinterpretation of the blue fluted pattern, selected details have been enlarged but are still painted by hand, preserving the original and unique vivid blue effect. The Blue Fluted Mega pattern was created by the young design student Karen Kjældgård-Larsen in 2000, signalled the beginning of a new adventure. The famous hand-painted pattern has become a household name again, expressing both its historical authenticity and creative, innovative thinking.

Capacity: 0.90 l
