The beer glass from the mouth blown No 5 range is well-known by many Danes. With more than 3,000 designs to his name, Per Lütken was one of Holmegaard's most advanced glassblowers. The No 5 range was launched in 1970, and its elegant design means that it is still a welcome guest on any contemporary table. The tall, slim shape of the beer glass also makes it ideal as a vase for elegant cut flowers to decorate any dinner table. The range also includes aquavit and long drinks glasses. An ideal gift idea for a special occasion.
