The EM77 vacuum jug with the unique rocker stopper was created by the Danish designer Erik Magnussen in 1977. Since then, it has been produced in more than 60 different colours. Naturally, it also comes with both the unique rocker stopper and screw cap. The EM77 vacuum jug has been made in Denmark since 1977, and its iconic design continues to keep coffee and tea hot the world over. The glass insert and all parts can be replaced in case of breakage, ensuring the vacuum jug a long and sustainable life.
