Christofle, Aria, dessert fork, silver plated

With its unique and striking design, the Aria collection from Christofle is an eye-catcher on any table. It reflects the opulence and purity of opera singers as well as featuring shapes and lines reminiscent of ancient temple columns and draped togas of noblemen in ancient Rome. The silver-plated dessert fork is 17 cm long, dishwasher-safe and, combined with the dessert spoon and knife, literally makes the enjoyment of fine desserts an even more tasteful affair. Matching every porcelain, the collection features sophisticated cutlery for appetizers, main courses or desserts – also in sterling silver or with silver plating and gold ring.

About Christofle

Christofle's Aria series, named after the style of classical singing, presents itself like a gracefully performed aria. Listen to the melody of the French way of life and let this collection bring the music to your table. Created in 1985, the elegant design embodies the sound of post-modernism of the 1980s – like a song accompanied by an orchestra.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
