Product information "Box with fresh holding lid Ø 5 cm tall 6 cm"

Stainless steel is the ideal material for storing food because it does not affect the flavour of food as well as being easy to clean and durable. The deep drawn containers are available in a number of sizes, providing the perfect solution for every need. The silicone edging on the glass lid seals the containers tightly to keep in flavours. The flat lid means the containers can be easily stacked.

Capacity (l): 0,1
