A creamy and delicate composition which provides sensuality and elegance to every home. A must for all vanilla lovers! The diffusion time is 80 hours of perfuming with 20 hours of operation.

About Maison Berger Paris

Known as Lampe Berger until 2020, Maison Berger Paris is where the French savoir-faire of design, nuanced perfumes and well thought-out technology unite. For 120 years now, Maison Berger Paris has been inspiring with innovative products that also bear iconic character as objects for the home. Originally designed to ensure sterility in 19th century hospitals, the system of diffusion by catalysis developed was found to not only destroy odors but also purify air. To this day, the products impress with unique fragrances, pleasantly purified air and an added touch of elegance.
