Christofle, Osiris, dessert knife

The Osiris series from traditional company Christofle is a hymn to nature and the Egyptian deity Osiris. Elaborate details, which are reminiscent of the papyrus plants of the Nile valley, encounter smooth forms. The dessert knife is 19 cm long and, thanks to its solid, stainless steel construction, dishwasher-safe. In combination with the dessert fork and spoon, fine desserts become a unique and pleasurable experience. For a journey through the heavenly Nile delta and a civilized dining culture arrangement, the collection offers a large selection of sophisticated cutlery for every occasion.

About Christofle

The name says it all: Osiris, the Egyptian god of rebirth, who also embodies the immortality of plants, is the patron of this series. The long lines in the design, which fan out at the end of the cutlery, are inspired by the grasses and stalks typical of Egyptian vegetation. In combination with the delicate curves and soft edges of the pieces in this collection, this symbolic stylistic element creates a sophisticated design of unobtrusive beauty.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
