Dibbern, Rotondo Optic, tumbler 0.25 l azure blue

This azure blue tumbler has a capacity of 0.25 liters and is part of the Rotondo series from Dibbern. The simple, hand-blown decor is reminiscent of the 50s thanks to different retro touches. The special structure of the spherical tumblers provides beautiful light reflections of the various colorings. The tumbler is microwavable as well as dishwasher-safe at 35 ° C.

About Dibbern

The family-run Dibbern manufactory is located in Bargteheide, Schleswig-Holstein. Dibbern combines traditional craftsmanship and quality with the highest standards of product design. One of its bestsellers is the Solid Color series, which has been in the program for 30 years and is one of the most popular products of the manufactory. It also offers various Fine Bone China lines in numerous shapes and decors. Fine Bone China sets itself apart through its higher percentage of bone ash, which makes the porcelain appear particularly delicate, yet also makes it extremely stable.
