Christofle, Marly, dessert spoon, silver plated

One like no other: With Marly, Christofle has created a cutlery series that surpasses all other collections with its ornamental richness. The typical, fine chasing of plants in rocaille style envelops every table in royal luxury and invites you to lay the table "à la française". The beautifully shaped dessert spoon is 17 cm long and, thanks to the high-quality silver plating, is also dishwasher safe. Together with the dessert fork and knife as well as many other sophisticated pieces from the extensive collection, it transforms not just exquisite desserts but also starters and main courses into a highlight that is fit for a king.

About Christofle

Follow in the footsteps of French King Louis XIV with Christofle: The Marly series is named after the hunting and summer palace of the 17th and 18th century head of state and exudes royal charm with its lavish decorations. The asymmetrical, finely chased plant decoration in the rocaille style typical of the era of Louis XIV ennobles this series in a masterful way.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
